Dear Ms Sinram:

The Mississippi Republican Party (C00084368) received the Federal Election Commission's request for additional information, dated September 9, 2013, regarding the committee's July Monthly Report (6/1/2013 - 6/30/2013).

1)The committee transferred non-federal amounts into the federal account based on the non-federal allocation shown on schedule B. From a technical error the committee reported the non-federal transfer in the June report (5/1/2013 - 5/31/2013) as being all administrative allocated expenses when it should have been split between administrative and fundraising. This \$9,034.73 that was incorrectly labeled as administrative instead of fundraising was an oversight, and has been corrected going forward. The committee has amended the May report again to correctly show the non-federal transfer including both administrative and fundraising transfers.

2)The Committee pays for all administrative payments, to include utilities, phones and office supplies, and discloses these expenses on the monthly FEC report. The Committee's salaries are paid out of the Committee federal account and disclosed on line 30b of Schedule B on the monthly reports. There are no rent or mortgage payments listed on the monthly reports since the Committee does not pay any rent due to the fact that the Committee paid off the mortgage on their offices in 2007.

Sincerely,

Paul Breazeale
Treasurer Mississippi Republican Party
